Re: West Virginia Academy Charter School Application

West Virginia Professional Charter School Board:

I am submitting this letter to you on behalf of the Governing Board of West Virginia Academy, Ltd. (the "Applicant") and enclosing with it the application of Applicant to the West Virginia Professional Charter School Board (the "Authorizer") requesting approval and authorization for a charter so that Applicant can open a charter school under the laws of West Virginia (See W.Va. Code Sec. 18-5G-1 et seq.). Our proposed primary recruitment area includes a geographic region within both Monongalia County and Preston County, but the school may likely serve students outside those counties including throughout the state of West Virginia. Please contact me via email to set up a date and time with our board to conduct the in-person interviews and the public forum contemplated in the review process at the appropriate time for the same.

Best Regards,
